

The Baucom Group is a full service contractor locally owned and operated in Charlotte, North Carolina.

It was founded by Walter Baucom III, on the belief that integrity, engineering talent, and a dedication to our customers would make us the very best in the construction industry.

As a full service contractor, we have the skills and experience to manage, build and support a wide variety of project types and client needs;

We strive to provide excellent services that excel in craftsmanship, remain within budget and deliver on time.

At The Baucom Group we don't just build buildings, we build YOUR building. Where you want it, how you want it and when you want it.

Specializing in:

Light Industrial, Office, Medical, Showroom, Multi-family housing, Retail, Religious, Civic, Sports Facilities, Restaurants and Night Life The #1 General Contracting firm for all your construction related projects
