

RICK'S SERVICES HEATING & COOLING

WHO WE ARE

Rick's Services provides professional HVAC services to the residential and commercial communities of the Tri County area. We're a family-owned company in our third generation of operation. Since 1974, we have successfully grown and developed a good reputation for the quality of our work.

We specialize in application, design and hard to solve problems. Residential and commercial customers have trusted our expertise to provide honest quotes, accurate system analyses, effective troubleshooting, quality services and affordable pricing. Each time an existing or new customer calls for our services, we arrive promptly on the same day, unless scheduled otherwise. Our skilled technicians are highly experienced and equipped to perform expert work on all HVAC systems.
